Foster Home Application/Agreement [for Bernese Mountain Dog Club N CA Members only]

Some Rescue-Re-home dogs need to be temporarily housed while permanent placement homes can be located, qualified and matched. Preference will be given to homes where constant adult supervision is available. Some rescue dogs may require special care (recovering from abuse, neglect, starvation, abandonment, illness). Persons interested in fostering a rescue dog should be familiar with dog behavior, have a fenced place for the dog to eliminate, and an area of the home where the dog can be safely confined. If you are interested in fostering a Bernese Mt. Dog, please complete this form and return it to: **BMD Rescue and Rehome, 220 Foster Lane, Dixon, CA 95620**
